

THE DIDSBURY FIRE DEPARTMENT'S FIRE CADET PROGRAM

Train with the Didsbury Fire Department while earning high school credit!

The Didsbury Fire Department's Fire Cadet program is sponsored by Atco and was created to give students in grades 11 & 12 an opportunity to explore future career paths. It is a great chance for students seeking to learn more about the emergency services, including **EMS, Police, and Fire**.

ATCO

Fire Cadets go through the same recruit training program that members go through and, upon graduating from high school and turning 18, the students will receive a pager and will be able to respond to emergencies. You will also earn credits towards your high school diploma!

The requirements to apply to become a Fire Cadet:

- Be a grade 11 or 12 student
- Be available to take part in Wednesday training nights for hands-on practice at the Didsbury Fire Station

Please complete an application form to be considered for enrollment. Forms can be found online here: [Recruitment Application](#) or at Didsbury High School.

Interested participants should complete the application and return it to Mrs. Roy before September 25th 2024
